

Presidents Report

for year ending December 2024

Most members will know of the passing of Ross Muir earlier this year. I pass on my condolences to Ross's family and friends. Ross was a respected and senior member of our Institute for many decades. His invaluable contributions and unwavering commitment to our Institute have left a lasting impact on our community.

I would like to express my sincere gratitude to Bruce, our Secretary/Treasurer, for the professional and continuing support he has provided. Bruce's dedication to maintaining the continuity of our operations and offering assistance as needed is appreciated.

Despite our challenges, the Institute remains steadfast in its commitment to supporting the next generation of leaders. We are proud to continue sponsoring two students each year as they pursue their future studies. This investment in education reflects our enduring commitment to fostering growth and opportunity within our community.

Thank you for your continued support and dedication to the Institute's mission.

Yours sincerely,
Malcolm Wheeler
President, NZEI 2024
